SPORT TAEKWONDO UK LIMITED
REPORT OF THE DIRECTORS
FOR THE YEAR ENDED 31 MARCH 2014

The directors present their report with the financial statements of the company for the year ended 31 March 2014.

PRINCIPAL ACTIVITY

The principal activity of the company in the year under review was that of the running of the elite athlete world class performance programme, international WTF events for elite athletes and the talent development programme.

REVIEW OF BUSINESS

The company started the new funding cycle (2013/17) with increased awards from UK Sport for our world class programme and an increased award from Sport England for our talent development pathway. The board were delighted with these awards which reflect the performance of our athletes during the previous funding cycle, the confidence in our ability to deliver future medals, and the improvement in the company's corporate governance.

As a result of these additional awards, and the continued support from our major stakeholders and sponsors, income for the year ended 31 March 2014 increased by £62,440 to £2,042,906. Expenditure increased to £2,020,531 and the retained surplus for the year was just over £22,000.

The retained reserves at 31 March 2014 were £48,615. The directors continue to be mindful of the need to increase reserves to an appropriate level for an organisation with income and expenditure exceeding £2m per annum, and the need to continue to invest in the programmes to ensure that medals at future major championships are obtained.

Events

During the year the company hosted the inaugural WTF World Taekwondo Grand Prix in Manchester. Developed by GB Taekwondo in partnership with the WTF, the event saw for the first time, Taekwondo broadcast live by the BBC on Red Button, with an audience of 180,000. The event was also Satellite broadcast to over 80 countries, the highest uptake of a WTF Taekwondo event ever. The financial support of UK Sport and Manchester City Council was fundamental to the delivery of this event.

World Class Performance

The company continues to work with UK Sport to strengthen the Academy and programme in Manchester. In preparation for Rio 2016, the Academy has been strengthened with a new cohort of athletes, drawn through the clubs and pathway as well as through the talent identification programme, Fighting Chance.

The major events during the year were the 21st WTF World Championships in Mexico and the Grand Prix in Manchester. Whilst results at the World Championships were disappointing, the results from the Grand Prix various Opens were excellent for the remainder of the year and at the end of March 2014, 9 British athletes were ranked in the top 32 in their respective Olympic weight categories.

Talent Development

The company's partnership with Sport England is ensuring that our Talent Development pathway grows from strength to strength, providing great opportunities for young British athletes to reach their full potential, as demonstrated by some fantastic cadet and junior championships performances during the year.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the surplus or deficit of the company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;

- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

So far as the directors are aware, there is no relevant audit information (as defined by Section 418 of the Companies Act 2006) of which the company's auditors are unaware, and each director has taken all the steps that he or she ought to have taken as a director in order to make himself or herself aware of any relevant audit information and to establish that the company's auditors are aware of that information.

This report has been prepared in accordance with the special provisions of Part 15 of the Companies Act 2006 relating to small companies.

The financial reporting framework that has been applied in their preparation is applicable law and the Financial Reporting Standard for Smaller Entities (effective April 2008) (United Kingdom Generally Accepted Accounting Practice applicable to Smaller Entities).

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in a Report of the Auditors and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of directors and auditors

As explained more fully in the Statement of Directors' Responsibilities set out on page three, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the company's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the directors; and the overall presentation of the financial statements. In addition, we read all the financial and non-financial information in the Report of the Directors to identify material inconsistencies with the audited financial statements and to identify any information that is apparently materially incorrect based on, or materially inconsistent with, the knowledge acquired by us in the course of performing the audit. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

Opinion on financial statements

In our opinion the financial statements:

- give a true and fair view of the state of the company's affairs as at 31 March 2014 and of its surplus for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice applicable to Smaller Entities; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Opinion on other matter prescribed by the Companies Act 2006

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or
- the directors were not entitled to prepare the financial statements in accordance with the small companies regime and take advantage of the small companies' exemption from the requirement to prepare a Strategic Report or in preparing the Report of the Directors.
