

## Potential expectations of a 'Talent Club'

- A growth mind-set in relation to the continued development of athletes and coaches to create an oversupply to the GB Taekwondo Talent Pathway.
- A demonstrable ability to work collaboratively with clubs nationally, regionally and locally.
- A commitment to work with GB TKD to achieve the talent club initiative objectives aligned to GB TKD athlete development philosophy.
- Ability to evidence ongoing coach and club development informed by a working club development plan.
- Attendance at GB TKD coach education activity such as coach development days, workshops and qualifications.
- Commitment to host GB TKD initiatives such as Kids Kickin', (Development days) and Talent Transfer events as and where necessary.
- Commitment to deliver an enhanced and robust club competition and training programme to include inter club sparring and test fight events.
- When and where requested to liaise with local service providers to assist selected athletes to access increased service support through opportunities provided by TASS.
